National Bank Limited

Auditors' report and consolidated financial statements for the year ended December 31, 2019

Rahman Mostafa Alam & Co. Chartered Accountants

Independent Auditors' Report To the Shareholders of National Bank Limited Report on the Audit of the Consolidated and Separate Financial Statements

Opinion

We have audited the consolidated financial statements of National Bank Limited and its subsidiary (the "Group") as well as the separate financial statements of National Bank Limited (the "Bank"), which comprise the consolidated and separate balance sheets as at December 31, 2019 and the consolidated and separate profit and loss accounts, consolidated and separate statements of changes in equity and consolidated and separate cash flow statements for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying consolidated financial statements of the Group and separate financial statements of the Bank give a true and fair view of the consolidated financial position of the Group and the separate financial position of the Bank as at December 31, 2019, and of its consolidated and separate financial performance and its consolidated and separate cash flows for the year then ended in accordance with the Banking Companies Act, 1991 (as amended up to date), the Companies Act, 1994, the Rules and Regulations issued by the Bangladesh Bank, the Rules and Regulations issued by the Bangladesh Securities & Exchange Commission (BSEC) and other applicable Laws and Regulations as explained in note 2.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the consolidated and separate financial statements section of our report. We are independent of the group and the bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), Bangladesh Securities and Exchange Commission (BSEC) and Bangladesh Bank, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated and separate financial statements of the current period. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

Management is responsible for the other information. The other information comprises all of the information in the annual report other than the consolidated and separate financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the consolidated financial statements of the Group and also separate financial statements of the Bank in accordance with the Banking Companies Act, 1991 (as amended up to date), the Companies Act, 1994, the Rules and Regulations issued by the Bangladesh Bank, the Rules and Regulations issued by the Bangladesh Bank, the Rules and Regulations issued by the Bangladesh Bank, the Rules and Regulations issued by the Bangladesh Securities & Exchange Commission (BSEC) and other applicable Laws and Regulations as explained in note 2, and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities
 or business activities within the Group to express an opinion on the consolidated financial
 statements. We are responsible for the direction, supervision and performance of the group
 audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act, 1994, the Securities and Exchange Rules 1987, the Banking Companies Act, 1991 and the rules and regulations issued by Bangladesh Bank, we also report that:

- we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) to the extent noted during the course of our audit work performed on the basis stated under the Auditor's Responsibility section in forming the above opinion on the consolidated financial statements and considering the reports of the Management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated under the Management's Responsibility for the financial statements and internal control:
 - (a) internal audit, internal control and risk management arrangements of the Group as disclosed in the financial statements appeared to be materially adequate;
 - (b) nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Group and its related entities;
- (iii) financial statements of all subsidiaries of the Bank which have been audited by other auditors have been properly reflected in the consolidated financial statements;
- (iv) in our opinion, proper books of account as required by law have been kept by the Group and the Bank so far as it appeared from our examination of those books;
- (v) the records and statements submitted by the branches have been properly maintained and consolidated in the financial statements;
- (vi) the consolidated balance sheet and consolidated profit and loss account together with the annexed notes dealt with by the report are in agreement with the books of account and returns;
- (vii) the expenditures incurred were for the purpose of the Bank's business for the year;
- (viii) the consolidated financial statements have been drawn up in conformity with prevailing rules, regulations and accounting standards as well as related guidance issued by Bangladesh Bank;
- (ix) adequate provisions have been made for advance and other assets which are in our opinion, doubtful of recovery;
- (x) the information and explanations required by us have been received and found satisfactory;
- (xi) we have reviewed over 80% of the risk weighted assets of the Bank and spent over 3,192 person hours; and
- (xii) Capital to Risk-weighted Asset Ratio (CRAR) as required by Bangladesh Bank has been maintained adequately during the year.

2. Basis of preparation of financial statements and significant accounting policies

2.1 Statement of compliance

The consolidated financial statements of the Group and the financial statements of the bank have been prepared for the year ended 31 December 2019 in compliance with the International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), Bangladesh Bank circulars, the Bank Companies Act 1991, the Companies Act 1994, Bangladesh Securities and Exchange Ordinance 1969, Bangladesh Securities and Exchange Rules 1987, Listing Regulations of Dhaka and Chittagong Stock Exchanges and International Financial Reporting Interpretations (IFRI) as adopted by the Institute of Chartered Accountants of Bangladesh, and other applicable laws and regulations. In case any requirement of the Bank Companies Act 1991 and provisions and circulars issued by Bangladesh Bank (BB) differ those of IFRS, the requirements of the Bank Companies Act 1991, provisions and circulars issued by BB shall prevail. Material departure from the requirements of IFRS are as follows:

i) Presentation of financial statement

IFRS: As per IAS 1, a complete set of financial statements comprises of statement of financial position, comprehensive income statement, changes in equity, cash flows statement, adequate notes comprising summary of accounting policies and other explanatory information is required to be presented. As per para 60 of IAS 1, the entity shall also present current and non-current assets and current and non-current liabilities as separate classifications in its statement of financial position.

Bangladesh Bank: The presentation of the financial statements in prescribed format (i.e. balance sheet, profit and loss account, cash flow statement, changes in equity, liquidity statement) and certain disclosures therein are guided by the First Schedule (section 38) of the Bank Companies Act 1991 and BRPD Circular no. 14 dated 25 June 2003 and subsequent guidelines of BB. In the prescribed format there is no option to present assets and liabilities under current and non-current classifications.

ii) Investment in shares, mutual funds and other securities

IFRS: As per requirements of IAS 39 "Financial Instruments: Recognition and Measurement" investment in shares and securities generally falls either under "at fair value through profit and loss account" or under "available for sale" where any change in the fair value (as measured in accordance with IFRS 13 "Fair Value Measurement") at the year-end is taken to profit and loss account or revaluation reserve respectively.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003 investments in quoted shares and unquoted shares are revalued at the year end at market price and as per net assets value (NAV) of last audited balance sheet respectively. As per instruction of DOS circular letter 03 dated 12 March 2015, investment in mutual fund (closed-end) is revalued at lower of cost and higher of market value and 85% of NAV. As such, provision is made for any loss arising from diminution in value of investment; otherwise investments are recognised at cost.

iii) Revaluation gains/losses on Government securities

IFRS: As per requirement of IAS 39 where securities will fall under the category of Held for Trading (HFT), any change in the fair value of HFT assets is recognised through profit and loss account. Securities designated as Held to Maturity (HTM) are measured at amortised cost method and interest income is recognised through the profit and loss account.

Bangladesh Bank: HFT securities are revalued on the basis of marked to market and at year end. Any gains on revaluation of securities which have not matured as at the balance sheet date are recognised in other reserves as part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Interest on HFT securities including amortisation of discount are recognised in the profit and loss account. HTM securities which have not matured as at the balance sheet date are amortised at the year end and gains or losses on amortisation are recognised in other reserve as part of equity.

нтм

Investments classified as HTM are non-derivative financial instruments with fixed or determinable future receipt on maturity that the Bank's management has the intention and ability to hold till maturity. These particular investments have been revalued as marked to market as at 31 December 2019, the revaluation gains on such securities have been shown in the financial statements as part of equity.

HFT

Investments classified as HFT are acquired mainly for the purpose of selling and repurchasing. Such investments are measured at marked to market method and any changes in the marked to market method are recognised in every week during the reporting year as per DOS circular letter no. 05 dated 28 January 2009.

iv) Provision on loans and advances/investments

IFRS: As per IAS 39 an entity should start the impairment assessment by considering whether objective evidence of impairment exists for financial assets that are individually significant. For financial assets that are not individually significant, the assessment can be performed on an individual or collective (portfolio) basis.

Bangladesh Bank: As per BRPD circular No.14 dated 23 September 2012, BRPD circular No. 19 dated 27 December 2012 and BRPD circular No. 05 dated 29 May 2013 a general provision @ 0.25% to 5% under different categories of unclassified loans (good/standard loans) has to be maintained regardless of objective evidence of impairment. Also provision for substandard loans, doubtful loans and bad losses has to be provided @ 20%, 50% and 100% respectively for loans and advances depending on the duration of overdue. Again as per BRPD circular no. 10 dated 18 September 2007 and BRPD circular no. 14 dated 23 September 2012, a general provision @ 1% is required to be provided for all off-balance sheet exposures. Such provision policies are not specifically in-line with those prescribed by IAS 39.

v) Recognition of interest in suspense

IFRS: Loans and advances to customers are generally classified as 'loans and receivables' as per IAS 39 and interest income is recognised through effective interest rate method over the term of the loan. Once a loan is impaired, interest income is recognised in profit and loss account on the same basis based on revised carrying amount.

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012, once a loan is classified (other than bad loss), interest on such loans are not allowed to be recognised as income, rather the corresponding amount needs to be credited to an interest suspense account, which is presented as liability in the balance sheet.

vi) Other comprehensive income (OCI):

IFRS: As per IAS 1: OCI is a component of financial statements or the elements of OCI are to be included in a single OCI.

Bangladesh Bank: Bangladesh Bank has issued templates for financial statements which will strictly be followed by all banks. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income nor are the elements of Other Comprehensive Income allowed to be included in a single OCI statement. As such the Bank does not prepare the other comprehensive income statement. However, elements of OCI, if any, are shown in the statements of changes in equity.

vii) Financial instruments – presentation and disclosure

In several cases Bangladesh Bank guidelines categorise, recognise, measure and present financial instruments differently from those prescribed in IAS 39. As such full disclosure and presentation requirements of IFRS 7: "Financial Instruments: Disclosures" and IAS 32 "Financial Instruments: Presentation" cannot be made in the financial statements.

viii) Financial guarantees

IFRS: As per IAS 39, financial guarantees are contracts that require an entity to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of the debt instrument. Financial guarantee liabilities are recognised initially at their fair value, and the initial fair value is amortised over the life of the financial guarantee. The financial guarantee liability is subsequently carried at the higher of this amortised amount and the present value of any expected payment when a payment under the guarantee has become probable. Financial guarantees are included within other liabilities.

Bangladesh Bank: As per BRPD 14, financial guarantees such as letter of credit, letter of guarantee will be treated as offbalance sheet items. No liability is recognised for the guarantee except the cash margin.

ix) Cash and cash equivalents

IFRS: Cash and cash equivalent items should be reported as cash item as per IAS 7 "Statement of Cash Flows"

Bangladesh Bank: Some cash and cash equivalent items such as 'money at call and on short notice', treasury bills, Bangladesh Bank bills and prize bonds are not shown as cash and cash equivalents. Money at call and on short notice presented on the face of the balance sheet, and treasury bills, prize bonds are shown in investments.

x) Non-banking asset

IFRS: No indication of non-banking asset is found in any IFRS.

Bangladesh Bank: As per BRPD 14, there must exist a face item named Non-banking asset.

xi) Cash flow statement

IFRS: The cash flow statement can be prepared using either the direct method or the indirect method. The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.

Bangladesh Bank: As per BRPD circular no. 14, cash flow is the combination of direct and indirect methods.

xii) Balance with Bangladesh Bank: (Cash Reserve Requirement)

IFRS: Balance with Bangladesh Bank should be treated as other asset as it is not available for use in day to day operations as per IAS 7.

Bangladesh Bank: Balance with Bangladesh Bank is treated as cash and cash equivalents.

xiii) Presentation of intangible asset

IFRS: An intangible asset must be identified and recognised, and the disclosure must be given as per IAS 38: "Intangible Assets".

Bangladesh Bank: There is no regulation for intangible assets in circular no. BRPD 14.

xiv) Off-balance sheet items

IFRS: There is no concept of off-balance sheet items in any IFRS; hence there is no requirement for disclosure of off-balance sheet items on the face of the balance sheet.

Bangladesh Bank: As per BRPD circular no. 14, off-balance sheet items (e.g. Letter of credit, Letter of guarantee, etc) must be disclosed separately on the face of the balance sheet.

xv) Loans and advances/Investments net of provision

IFRS: Loans and advances/Investments should be presented net of provision.

Bangladesh Bank: As per BRPD 14, provision on loans and advances/investments are presented separately as liability and can not be netted off against loans and advances.

2.2 Basis of preparation of financial statements

The financial statements of the Bank as at 31 December 2019 have been prepared on a going concern basis under the historical cost convention and in accordance with the "First Schedule" of the Bank Companies Act 1991 (ammended in 2013) and as per BRPD circular no. 14 dated 25 June 2003, other Bangladesh Bank Circulars, IFRS, IASs, the Companies Act 1994, Bangladesh Securities and Exchange Rules 1987, the listing Regulations of the Stock Exchanges and other laws and rules applicable in Bangladesh.

2.3 Basis of consolidation

The financial statements of the Bank include the financial statements of main operation of NBL and its two business unit namely, Offshore Banking Units" operating in Bangladesh.

The consolidated financial statements include the financial statements of the Bank and seven subsidiary companies namely, NBL Securities Ltd, NBL Capital and Equity Management Ltd, NBL Money Transfer Pte Ltd (Singapore), NBL Money Transfer Sdn Bhd (Malaysia), NBL Money Transfer (Maldives) Private Ltd, NBL Money Transfer Payment Foundation SA (Greece), and NBL Money Transfer Inc. (USA) operating in Bangladesh and in others countries.

The consolidated financial statements have been prepared in accordance with IAS-27: 'Separate Financial Statements' and IFRS-10: 'Consolidated Financial Statements.' The consolidated as well as separate financial statements are prepared for a common financial year ended on 31 December 2019.

Consolidated financial statements of the group and separate financial statements of the Bank comprise of Balance Sheet, Profit and Loss Statement, Statement of Changes in Equity, Cash Flow Statement, Liquidity Statement and relevant notes and disclosures.

2.4 Use of estimates and judgment

Preparation of the financial statements in conformity with IFRS/IAS requires management to make judgments, estimates and assumptions. These judgments, estimates and assumptions affect the application of accounting policies and the reported amount of assets and liabilities as well as income and expenses in the financial statements presented. Actual result may differ from the estimates and assumption made.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

2.5 Functional and presentation currency

The financial statements have been prepared and presented using Bangladeshi Taka (BDT) which is the functional currency of NBL.

2.6 Assets and basis of their valuation

2.6.1 Loans and advances

Loans and advances are stated in the Balance Sheet on a gross basis. General provisions on unclassified and contingent assets, specific provisions for classified loans and interest suspense account thereon are shown under other liabilities.

Loans and advances are written-off to the extent that (i) there is no realistic prospect of recovery and (ii) against which legal cases are pending as per guidelines of Bangladesh Bank. However, the write-off will not reduce the claim against the borrower. Detailed memorandum records for all of such written off accounts are maintained.

2.6.2 Lease finance

To comply with IAS-17: 'Leases', the books of account for leasing operation has been prepared under finance method of accounting since assets leased to customers under agreements transfer substantially all the risks and rewards associated with ownership, other than legal title, to the customers and all leases are full payout leases.

In accordance with the said standard, the aggregate lease receivables are recorded as gross lease receivables while the excess of gross lease receivables over the total acquisition cost including interest during the period of acquiring the lease equipment constitutes the unearned lease income.

At the execution of each lease, a portion of the unearned lease is recognised as revenue income in the period in which it is matured. The balance of the unearned lease income is amortised to revenue on a monthly basis over the primary lease term yielding a constant rate of return over the period.

2.6.3 Investments

Investments are classified broadly in three categories and accounted for as under.

a) Held to maturity

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturities that the Bank management has the intention and ability to hold to maturity. If the Bank were to sell other than an insignificant amount of held-to-maturity assets, the entire category would be reclassified as available for sale.

b) Held for trading

Investments classified in this category are acquired principally for the purpose of selling or repurchasing in short trading or if designed as such by the management. After initial recognition, investments are measured at fair value and changes are recognised in the profit and loss statement or revaluation reserve account as expense/income for the period as per provision of Bangladesh Bank circulars and IAS-39: 'Financial Instruments: Recognition and Measurement'.

c) Sale and repurchase agreement

Securities sold under re-purchase agreement (REPO) at a fixed price on future date, the arrangement is accounted for as normal sale (out right sale) and the securities should be derecognised from the books. d) Revaluation

As per Bangladesh Bank DOS circular letter no. 5 dated 28 January 2009, HFT securities are revalued each week using 'Marked to Market' concept and HTM securities are amortised once a year according to Bangladesh Bank guidelines. The HTM securities are also revalued if these are reclassified to HFT category with the Board approval. Value of investment has been determined as follows :

2.6.4 Fixed assets and depreciation

a) All fixed assets are stated at cost less accumulated depreciation as per IAS-16: 'Property, Plant and Equipment.' Land is measured at cost.

Depreciation is charged for the year using straight line method on all fixed assets other than land at the following rates :

| Category of fixed assets | Rate of depreciation | | | |
|--------------------------|----------------------|--|--|--|
| Land | Nil | | | |
| Building | 2.50% | | | |
| Furniture, fixtures | 10.00% | | | |
| General equipment | 20.00% | | | |
| Computer equipment | 33.33% | | | |
| Vehicles | 20.00% | | | |
| Books | 20.00% | | | |

On additions to fixed assets depreciation is charged from the date of acquisition and no depreciation is charged in the year of disposal of the same. Gain or loss on sale of fixed assets is recognised in profit and loss statement as per provision of IAS 16 "Property, Plant and Equipment".

b) Leases

NBL has applied IFRS 16 Leases for the first time with the date of initial application of 01 January 2019. As IFRS 16 supersedes IAS 17 Lease, the bank has made recognition, measurement and disclosure in the financial statements-2019 both as Lessee and Lessor as per IFRS 16.

Bank as lessee:

The bank assesses at initiation of a contract whether the contract is, or contains a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange of consideration, then the bank consider the contract. The bank as a lessee applies a single recognition and measurement approach for all leases, except for short-term leases, or, and lease of low value of assets. The bank recognises lease liabilities to make lease payment and right-of-use assets representing the right to use the underlying assets.

If tenor of a lease contract does not exceed twelve months from the date of initiation/application, the bank considers the lease period as short term in line with the recognition threshold of ROU assets as per FA policy of the bank. In case of low value of lease assets, the bank has set a materiality threshold which is 0.10 % of Total capital of the Bank. However, as it's adopted for the first time, the bank used a flat threshold of BDT 20 million and above' which is 0.037 % of total capital of the bank as of 31- 12-2019. The reason behind considering the materiality threshold of BDT 20 million and above is that the bank operates many ATM booths, sub-branches with short and single contracts; recording of which as ROU assets would inflate the balance sheet both in assets and liabilities. Moreover, frequent changes of those establishments would create misreporting as well as complexity in recording.

Right-of -use assets (ROU)

The bank recognises the right-of-use assets (RoU) at the commencement date of the lease (i.e. the date the underlying asset is available for use). RoU assets are measured at cost less any accumulated depreciation and impairment of losses and adjusted cost incurred, and lease payment made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight line basis over the lease term, or remaining period of the lease term. The bank assessed all lease contracts live in 2019 and recognised as RoU of assets of all leases, except short term and low value of assets as per the Banks' own policy set as per IAS 16 and IFRS 16. As leases under IFRS 16 has been first time adopted by the bank, the bank has followed modified retrospective approach of adoption with the date of initial application of 01 January 2019. Therefore, the bank considered a cut-off date beginning of the year 2019 and reassessed unadjusted advance payment and remaining lease period of each contract, and recognised those in the financial statements for the year ended 31 December 2019 without giving retrospective impact in earlier presentation.

Lease liability

At the commencement of the lease, the bank recognises lease liabilities measured at the present value of lease payments initial payment), and amount is expected to be paid under residual value of guarantees. The lease payments also include the exercise price of purchase option reasonably certain to be exercised by the bank and payment of penalties for terminating the lease. to be made over the lease term. The lease payments include fixed and variable lease payment (less any adjustment for terminating the lease term.

In 2019, the bank reassessed all lease payment of existing contracts for remaining period considering a cut-off date i.e. 01 January 2019. The lease liabilities are presented in the note 15 of these financial statements.

Bank as a lessor

Leases where the bank does not transfer substantially all of the risk and benefit of ownership of any asset are classified as operating assets. Rental income is recorded as earned based on the contractual term of the lease. However, the Bank did not hold any such assets in 2019.

As per IFRS 16, when consideration is made by the bank under contract in exchange of use of rental premises or assets for a period not exceeding a period of twelve months, and or, the present value of the obligation plus initial payment under contract does not exceed the threshold limit of the bank, and substantially all the risk and benefit of ownership of those rental premises/assets does not transfer to the bank, then the bank considers the payment (other than advance payment) as rental expense under IFRS 15 Revenue from contracts with customers.

Therefore, in 2019, NBL recognised those payment against contracts that do not qualify as lease item under IFRS 16 as rental expense which is presented in note 28 of the financial statements for the year ended 31 December 2019. These are short term and low value contracts for ATM booths, godown and small /sub-branch premises that donot meet the materiality threshold for recognition of lease assets.

2.6.5 Non-banking assets

The Bank has shown non-banking assets acquired by virtue of decree from Artha-Rin-Adalat at its market value as required by BRPD circular no. 14 dated 25 June 2003. Out of total non-banking assets, possession of some is required to be obtained by the Bank.
